

Introduction

Steve Geary

President, Supply Chain Visions, Inc.

steve@scvisions.com

Steve has worked with organizations around the world in a variety of industries and through frequent speaking engagements and publications, has become known as a leading expert on supply chain design and performance. Steve is a Contributing Editor at *DC Velocity Magazine*, editor-at-large for the *Supply Chain Quarterly*, and is a faculty member and research associate of the University of Tennessee's College of Business Administration on the topic of Performance-Based Logistics.

Since 2002, Geary has been engaged in a broad range of projects across Aerospace and Defense, doing extensive research in Performance-Based Logistics. Steve spent the majority of his time seeking to revitalize Iraqi industry, bringing stability through employment. Geary also works extensively with OSD's Acquisition, Technology, and Logistics function, in Aerospace and Defense commercial enterprises, and with the individual military services.

His prior employment experience includes Teradyne, Inc., PRTM, Emerson Electric Co., and IBM. He has worked in the United States, Europe, Latin America, the Caribbean, and the Middle East and is a Certified Production and Inventory Control Manager listed in *Who's Who in America*, *Who's Who in the World*, *Who's Who in Science and Engineering*, and *Who's Who in Executives and Professionals*.
