

Creative Approaches to Supply Chain Profitability: A Global Perspective from India

CSCMP
India
2012 CONFERENCE
1-2 June, Mumbai, India

CSCMP India 2012 Conference 1-2 June, 2012 ITC Maratha, Mumbai

CSCMP's India 2012 conference will provide you with the education, solutions, networking, and inspiration you need to manage your supply chain successfully in the coming years. Global supply chain thought leaders will discuss the vital and dynamic processes you should master to compete in today's marketplace, including network design, risk management, talent, sales and operations planning, sustainability, and collaboration. This is one event that every forward-thinking supply chain management professional needs to attend!

Conference includes a Networking Lunch and Reception and Cocktail Dinner.

INAUGURATION AND OPENING SPEECH:

Rick D. Blasgen, President and Chief Executive Officer, CSCMP

GUEST OF HONOR:

Peter Haas, US Consul General, Mumbai, India
