

A leader is...

Full of praise

Courteous and uses words like "please and thank you"

Someone who inspires others to be better

Continuously improving

Dedicated to his or her dreams

Someone who looks for the good in others

Someone who understands that failure is necessary to achieve success

Not afraid of confrontation

Openly accountable for his or her own actions

A person of integrity

Genuinely interested in others

Someone who has a good reputation

Encourages improvement

Brings others with him or her up the corporate ladder

Direct with expectations

Someone who holds others accountable

Does what is right rather than what is popular

A leader is a lion, not a sheep!
